25X1 6. [ ] Miss Daugherty, in the office of Representative William T. Cahill, called to say an attorney had been in touch with them with regard to a young man recently released from the service who is interested in the prospect of training by CIA for some future position. (This appears to be another of the instances we experienced sometime ago concerning CIA's training programs.) I advised Miss Daugherty that we did not have a training program along the lines discussed by the attorney in his letter to the Congressman. However, in response to her request, I indicated I would make available to her one of our employment brochures. I will also provide suggested language for the Congressman's response.

25X1 7. [ ] [ ] CA Staff, called to say 25X1 that Representative Jed Johnson plans to make a speech on the 29th of November in connection with a White House program on international cooperation. Johnson has asked CA Staff to assist him in the preparations of this speech. [ ] wished to alert us to this fact. It is their 25X1 intention to give him the assistance he has requested.

25X1 8. [ ] Talked with Mr. John H. Davitt, Chief, Criminal Division, Internal Security, Department of Justice, regarding the Department's request for comment on correspondence from Congressman Harold R. Collier relating to allegations of [ ] 25X1 John advised that the Bureau has not yet responded to his request to them for information on this case. In consequence, the correspondence with Mr. Collier will be closed out without awaiting further information.

25X1 9. [ ] Met with Mr. Vincent Augliere, Advisor, House Government Operations Subcommittee, and briefed him on the current activities and correspondence with AID relating to [ ] 25X1 As Mr. David Glick, Counsel to the staff is no longer working on this matter, Mr. Augliere was pleased to be briefed on the current status. Mr. Augliere indicated that Congressman Helstoski's office will be contacting us later in the day concerning his proposed trip to certain Iron Curtain countries. With regard to Chairman Moss's trip to the NATO countries, he advised that due to press of time and departure of the Chairman, it was felt that no briefing on these countries by the Agency would be requested by the Chairman.
